

Turnstiles

If you require the ultimate in security, with an added guarantee that only one person can enter or leave a secure area at a time; the **Paramount Security Turnstile** can provide the ideal solution.

Our range includes single or double Turnstiles, which can be supplied for entry only, exit only or bi-directional travel dependent upon which card reader is operated.

Our range incorporates a stainless steel rotor, which provides years of trouble free operation even in the most demanding of environments.

Options-

- Under Canopy lighting
- Overhead Rain Canopy
- Manufactured in any RAL Colour
- Control through any Paramount Access Product
- Anti-Pass back option, prevents an authorised user from passing their card through the fence to an unauthorised user.
- Integral CCTV within the framework.
